

DOOR PROTECTION

BUMPERLESS

AN OPEN AND SHUT CASE FOR ADVANCED DOOR PROTECTION.

DoorSaver has done it again with DoorSaver II. Its ultra-low-profile design replaces the hinge pin to create bumperless protection for doors and trim. DoorSaver II is simple to install, looks great and stays in place without "working up."

Patented Lock-Tight Pin won't creep up.

DOORSAVER II

DoorSaver II catches both the front and back side of the hinge for total protection. Its truly unique design means no damage. No hinge pin creeping up. And no bumper. All you see is the beautiful, ultra-low profile and damage-free doors and trim.

- Bumperless design eliminates damage to doors and trim
- Ultra-low profile in four designer finishes
- Installs in seconds – no tools required
- Hinge mounted to fit all doors
- Won't work up like conventional hinge-mounted products
- Made from strong carbon steel

ATTRACTIVE PROTECTION – GUARANTEED.

Homeowners love DoorSaver II for its sleek, bumperless profile and designer finishes. Builders and contractors see the beauty in its super-quick installation and worry-free protection. No wonder DoorSaver II is the most attractive door protection solution on the market. Our warranty says it all: if our product ever damages your door, you'll receive a free door – guaranteed.
